

Year 2 ~ Summer Medium Term Planning ~

MEMBERS OF A CHURCH SCHOOL

SPIRITUAL, MORAL, SOCIAL, CULTURAL

In **RE** we will.....look at the church building and the family of the church. We will also contrast with a Jewish synagogue and a Hindu temple. We will talk to Mr Woods and ask questions about his role in the church and the community. We will learn about the Jewish festival of Shabbat. We will also look at the world God has made.

Within the context of God's world, at **Beresford Memorial**, we value **Honesty, Respect, Hope, Kindness, Creativity & Courage**. These are **key values** which underpin our curriculum and enable us to be **Successful Learners, Confident Individuals & Responsible Citizens**.

CONFIDENT INDIVIDUALS

SOCIAL & EMOTIONAL

We will promote caring for the environment both in our community and locally. We will also discuss looking after the environment globally including the things we can do to help. We will discuss the importance of caring for each other and our

POSSIBILITIES

We will offer a range of opportunities..... To increase our knowledge of the world we live in. We will look at the wildlife supported by our local area and visit another wildlife area to increase our understanding.

CREATIVITY

We will help to create areas in the school to encourage wildlife and use these areas to inspire our artistic creativity and develop an eye for detail.

RESPONSIBLE CITIZENS

COMMUNITY

As members of a community we will.....visit the church each month and take part in worship each day. We will consider what we can do to have a positive effect on our local environment.

ENTERPRISE

We will contribute to school fund raising activities to help our community and the wider world. We will look at the work of charities and consider how we could contribute.

DIVERSITY

As members of a diverse culture we will: Respect all cultures in our school and try to learn more about others beliefs and customs.

Year 2 ~ Summer Medium Term Planning ~

SUCCESSFUL LEARNERS

AREAS OF LEARNING

As **Authors** Create stories and poems.

As **Mathematicians**... we will learn how to investigate a variety of areas and solve mathematical problems.

As **Scientists**.... We will study how living things grow and what they need.

As **Historians**... We will find out about scientists from the past.

As **Geographers**.... We will look at a variety of habitats and the creatures that live there.

As **Musicians**....We will continue to develop our violin skills and perform to the public.

As **Designers**....we will study design in nature and be inspired to create our own designs

As **Artists**....We will study the beauty in nature and interpret using a variety of medium.

As **Computer Scientists**...research the internet to find out about our environment.
